THE CENTURY TOWNSITE COMPANY

The Century Townsite company is a company organized for the purpose of founding and establishing townsites in good agricultural regions of the rountry yet but partially developed; answering the crying demand of the home-seeker, the business man seeking a new location and offering to the mechanic inducements to be procured in no other manber, and to the speculator and those seeking investments an opportunity that comes but seldom. The methods of this company are fair and honest, and its affairs conducted along business methods; its plans are feasible, plain and simple, its officers and managers are well known, experienced practical business men, particularly adapted to work of this kind. Mr. John Mahlon Moorte, its president and treesurer, ranks high in financial circless as a man of integrity high honor and sound business judgment. The other officers are well known and equally reliable.
